

International Applicants

Our guests come from around the world and so do our staff. For the majority of our positions, we require overseas applicants to have their own visa with appropriate rights to work in Australia. All visas must be valid until the end of the season (late September-early October). If you are successful in gaining employment with Perisher, you will need to supply Human Resources with a copy of your visa and your passport so as we can verify your rights to work in Australia.

For further information regarding working visas, visit the website of the Department of Immigration and Citizenship, www.immi.gov.au, or contact the Australian Consulate in your country.

Working Holiday Visa (subclass 417) – Extensions for Second Working Holiday Visa

In order to gain a second Working Holiday Visa, Australian Immigration states that you must have completed three (3) months of “specified work” in regional Australia. Working at Perisher Ski Resort does not qualify as “specified work” in regional Australia. For more information on gaining a second Working Holiday Visa and what employment qualifies as “specified work”, please visit: <http://www.immi.gov.au/Visas/Pages/417.aspx> and review the Visa applicants section.

Please note: If you are working in Australia on a Work and Holiday Visa (subclass 462), you are unable to extend your stay beyond 12 months.

Sponsored Visas

Due to what is referred to as a “ceiling” on the number of Sponsored Visas we are able to offer under our Labour Agreement, Perisher is only able to sponsor a limited number of visas for roles deemed essential by the Department of Immigration and Citizenship. These key roles include qualified Snowsports Instructors and Snow Groomers with at least 2-3 seasons’ experience in that capacity.

Applications can only be received from International Applicants who can supply all the documentation required by Immigration to fulfill the Sponsored Visa criteria including proof of current qualifications.

Should you be successful in gaining a Sponsored Visa role with Perisher, we will notify you of the next steps to secure and lodge your Visa.

Language

Perisher is an Equal Opportunity Employer that welcomes foreign applicants and diverse cultures. All our employees must have a competent grasp of the English language and be able to communicate clearly with co-workers and guests. Please be prepared to go through the interview process and provide your resume in English.

Superannuation

Superannuation is a retirement program/pension fund in Australia. Employers are required by law to pay an additional amount based on a percentage of an employee’s salaries and wages (currently 9.5%) into a complying superannuation fund. All international employees are required to hold a superannuation account and will be entitled to claim monies received upon returning to their country of residence.
